ADVANCED ENGLISH LANGUAGE AND COMMUNICATION SKILLS

13 SEPTEMBER TO 1 OCTOBER 2021

Sponsored by the

MINISTRY OF FOREIGN AFFAIRS, SINGAPORE

under the framework of the

INITIATIVE FOR ASEAN INTEGRATION

Initiative for ASEAN Integration

The Initiative for ASEAN Integration (IAI) was launched by then Singapore Prime Minister (PM) Goh Chok Tong at the 4th ASEAN Informal Summit in 2000 to narrow the development gap between ASEAN-6 and Cambodia, Laos, Myanmar and Vietnam (CLMV) and to support ASEAN integration and community building. To date, Singapore has made four pledges totalling about S\$170 million to the IAI.

A key IAI project by Singapore was the establishment of training centres in Phnom Penh, Vientiane, Yangon and Hanoi, which have been upgraded to the Singapore Cooperation Centres (SCCs). More than 43,000 government officials from CLMV have attended our training courses conducted at these centres in diverse areas that are aligned to the IAI Strategic Areas of Food and Agriculture, Trade Facilitation, MSMEs, Education and Health and Well-being and Enabling Actions promoting good regulatory techniques and legal frameworks, digital government strategies, public administration, international safety standards and sustainable development.

The IAI is in line with the spirit of the Singapore Cooperation Programme (SCP). Established in 1992, the SCP brings together the various technical assistance programmes offered by Singapore. As a country whose only resource is its people, Singapore believes that human resource development is vital for economic and social progress. Singapore itself has benefited from training provided by other countries and international organisations. Through the SCP, the range and number of training programmes have been increased to meet the needs of developing countries.
